TO: RULES COMMITTEE

FROM: Councilmember Sam Liccardo  
Councilmember Kansen Chu

SUBJECT: AIRPORT CURFEW FINES

DATE: April 15, 2013

APPROVED:

*Sam Liccardo* *Kansen Chu* 4-15-13

## RECOMMENDATION

Refer to the full council whether to increase the amount of the fine for violation(s) of the airport's curfew ordinance.

## BACKGROUND

Councilmember Kansen Chu's April 12<sup>th</sup> memo directs staff to research whether the fine for violation(s) of the curfew should be increased. The current amount of the fine was established nearly 10 years ago, and to our knowledge has not been reviewed since. We seek to have a full and public council discussion. Accordingly, we request that the Rules Committee refer this matter to the full council, through the appropriate committees.
